## NABET-CWA/ABC-Disney NEGOTIATIONS Washington DC

BULLETIN # 26  
January 11, 2012

NABET-CWA and ABC, Inc. negotiators are meeting in Washington, DC this week. Following the session on January 10th, the Union's bargaining committee was made aware of a letter dated January 6, 2012 sent from ABC management to the homes of NABET-CWA staff employees. In that letter ABC states, "...*the Company remains prepared to agree now to the maximum pension accrual rate for 2008-2010 and also for 2011.*"

We are pleased that in its January 6, 2012, letter to Staff employees, ABC has agreed with NABET-CWA's position that the pension accrual rate for 2008-2010 is 1.80%, and has further agreed to the Union's proposal that the accrual rate for 2011 is 1.80%. We are satisfied that this issue is resolved.

The Union Bargaining Committee reminds all members to ignore rumors. All official negotiation and mobilization information will be delivered on the Sector website ([www.nabetcwa.org](http://www.nabetcwa.org)), on Local websites, hotlines, and e-mail lists.
